TAFTVILLE WANTS GAME
WITH NORWICH KACEYS

Sporting Editor: I have heard a lot
of talk about Manager Holland's bunch
of ball tossers. He may have a good
bunch but I have just two open Sunday dates from now till August 29 and
I would like to get a crack at the Norwich K. of C. on June 20 or July 4.
Manager Holland has seen the Taftville team in action against White
Rock and I am positive that he cannot
say anything but good of this team.
Saturday, Columbias of Hartford will
be at Taftville, and if Manager Holland wants another line on this team,
that will be the time. A few changes
will be made in Saturday's lineup.

Note How Essex Trebles Motor Power

MOTOR

The swing of interest to light cars, led by champions of the Essex, calls for particular caution.

Some may think of Essex only as one of a finer type, marking a general advance in standards throughout the light car field.

But the facts quickly expose that mistake. The Essex Motor is patented. No larger than standard motors that yield but 18 H. P. at utmost, the Essex delivers 55 H. P. And Essex performance, so enthusiastically admired by all motordom is the product of that exclusive invention.

Essex has set the greatest official endurance record of 3037 miles in 50 hours. It has never been equalled by any car, regardless of size or price. And Essex made the world's 24hour road record of 1061 mila.

All Results of Its Patented Motor

For cars of its piston displacement it has set every official record from 1 to 50 hours. And in its first year it set a selling record never equalled in motor history.

It creates a new standard of light car capacity in a totally new type. And it cannot be copied. Do not forget that. You can get the abilities for which these records stand, only in the Essex.

OLYMPIC RIFLE TEAM TRYOUTS START MONDAY AT QUANTICO, VA. By PETER P. CARNEY

The first three days will be devoted to preliminary practice and the last three days to record competition. The team will be gelected immediately following the tryouts and practice as a team will begin en June 2. The shooters will sail for Antwerp on or about June 26. Twelve members of the team will be selected by competition, the 12 highest men in the trials at Quantico being chosen. In addition five members may be selected on account of special qualifications by the American Olymple committee.

The largest to be used in the tryouts will be as near as possible the same dimensions as those to be used in the formal matches for the conduct of the National matches for 1920. The United States Magazine rifle will be used by those who do not care to bring their own rifles.
